Using UI Children Cards

To add the UI Children Cards macro to a page

1

In the Confluence editor, choose **Insert > Other Macros**.

2

Find and select the required macro.

Speed up macro entry with autocomplete: Type { and the beginning of the macro name, to see a list of suggested macros.

To edit an existing macro

1

Click the macro placeholder and choose **Edit**.

2

The macro editor will open, where you can edit the parameters of the macro.

Wiki Markup

```
{ui-children-cards}
```
